

Piping Education Council (PEC)

Purpose

Funds programs and activities of the mechanical industry through the MCA and the Administrative Services Agreement for the benefit of all signatory employers of LU 597.

Things to Remember

What does
PEC
mean?

PEC is a friendly name for the Chicago Area Mechanical Contracting Industry Improvement Trust Fund.

Contributions
are
negotiated.

Contributions to PEC are currently \$.32 / pipefitter hours worked.

Appointments
are
infrequent.

Appointments are made by the MCA Board of Directors as prescribed by the Trust Document. Appointees tend to have had experience on the MCA Board of Directors.

Commitment

- Meet twice annually in addition to being in attendance at MCA Board meetings.
- Attend the MCAA Industry Improvement Funds Conference held in December.

Goals

- Review and approve PEC budget.
- Review the projected hours and ascertain whether they are in line with estimated manpower.
- Provide 92% of projected hours to MCA as is spelled out in the administrative services agreement between the two parties.
