

Pipe Fitters' Training Funds Local Union 597 Board of Trustees

Purpose

To oversee the benefit funds of LU 597, which include pension, health and welfare, training, and 401K.

Things to Remember

Getting appointed as a trustee is like being appointed to the U.S. Supreme Court.

It is an honor and a trustee typically serves for as long as they are able.

Long learning curve.

The longevity of service is also essential because of the long learning curve.

Trustees.

There are 4 union member trustees and 4 management trustees. The 4 management trustees are appointed by the MCA.

Commitment

- Attend quarterly daylong meetings, which typically take place at the LU 597 Hall.
- Trustees are required to focus on the needs and interests of the plan participants instead of their own.

Goals

- Ensure preservation of funds.
