

# MCA of Chicago Education Committee

## Purpose

Develop educational programming for the Construction Education Institute (CEI).

## Strategic Partners

Our Strategic Partners are the Builders Association (BA); Illinois Environmental Contractors Association (IECA); Piping Education Council (PEC); Plumbing Contractors Association (PCA); Plumbing Council of Chicago; SMACNA Greater Chicago; and West Suburban Association (WSA).

## Things to Remember

Bring new offerings and instructors to the CEI.

The Education Committee is responsible for bringing new offerings and instructors to the CEI.

Strategic Partners

Programs should be relevant to our Strategic Partners.

We need your help!

New programs are developed through members sharing information, resources and ideas with committee.

## Commitment

- Attend 1-2 CEI programs annually and provide honest feedback.
- Review and recommend changes in programming.

## Goals

- Develop and evaluate programming for the betterment of the mechanical industry.
- Ensure that the rules and policies we have in place for participation are fair and enforced.
- Continue to drive innovation with online registration; LMS coming in 2017.
