

MCA of Chicago Government Relations Committee

Purpose

Discuss and recommend appropriate actions primarily with respect to state and local (but also national) legislative, regulatory and legal issues.

Committee Members

Interest in following government affairs at any level.
Interest in reviewing legislation that could impact your mechanical contracting business.
Attend other conferences (e.g. MCAA National Issues Conference) to lobby candidates on the state and federal levels.

Things to Remember

MCA is involved with lobbying groups.

MCA is involved with lobbying groups, including IMSCA (lobbying group for specialty contractor associations) via this committee.

Bridget Dougherty is our MCA lobbyist at the state and local levels.

She is supported by Morrill and Associates in her watch of Springfield.

MIPAC is MCA's political action fund.

The MCA has its own political action fund (MIPAC), which means we can make donations to state and local candidates.

Commitment

- Attend biannual meetings and additional if necessary.
 - 1st meeting: Discuss pending legislation and bills filed
 - 2nd meeting: decide which candidates to give PAC money to

Goals

- Review pending legislation and discuss its relevance and impact on mechanical contracting.
- Consider MIPAC contributions to various state and local candidates.
- Support MCAA lobbying efforts whenever practical.
