

# MCA of Chicago Safety Section

## Purpose

Provide membership and field personnel with the latest information, resources and training in order to prevent loss.

## Role of Members

Suggest improvements, topics and new ideas on all safety programs and communications. Help the section stay current by being familiar with safety practices and OSHA regulations.

## Things to Remember

Achieve  
zero  
accidents.

MCA  
Annual Safety  
Conference  
subsidy.

Become involved!

Sections (like the Safety Section) are the lifeblood of our association.

MCA members receive a subsidy to MCA's Annual Safety Conference.

The safety section's highest goal is to keep our members safe with zero accidents.

## Commitment

- Attend safety meetings, and related training meetings when available.

## Goals

- Help plan safety related education for MCA's CEI.
- Determine and communicate important OSHA deadlines to the membership.
- Review and update content and assess need for safety toolbox talks and envelope stuffers.
- Review and administer annual safety award program and safety budget.
